

# Events & Publicity Officers

The previous Committee has obviously done a great job, as we became friends during the numerous events they organised. That is why we are so enthusiastic to take this role together and help future and current generations to settle in. Moreover, we are determined to build a tight-knit Hungarian community across the university. We also know that events play a key role in raising awareness among non-Hungarians of our culture. Therefore being Events and Publicity Officers is a great responsibility and we would be happy to fulfil the commitments it involves.

## Emese Thamo

Emi is a fresher at Pembroke studying Mathematics. It is enough to look at her to know how energetic and cheerful she is. Being creative and innovative, she could be

a useful member of the Committee. As a blue in volleyball, she would make sure to have plenty of events for the sport-lovers.

## Agnes Szuda

Ági is a first year Geographer at Catz. Everybody knows her to be really sociable and friendly. The Hungarian Society could gain a lot from her superior organisational skills

developed as a student council representative. She is also a keen dancer who knows how to have fun.

### **Traditions we would carry on:**

- ❖ Annual Picnic at Margit-sziget (with cookies and games)
- ❖ Freshers' Camp (with számháború, krumplipaprikás and minden, ami jó)
- ❖ Freshers' Initiation (no need for comment)
- ❖ Annual Dinner
- ❖ Movie Nights (Hungarian classics with English subtitles, open to all)
- ❖ Hungarian Family System
- ❖ Swaps with other societies (make international friendships!)
- ❖ Eurovision Night
- ❖ Overnight Punting
- ❖ Sunday Brunch at Trinity
- ❖ Sport Competitions
- ❖ Pub Nights

### **New events - as a proof of our creativity:**

- ❖ Freshers' Formal at Pembroke (obviously the best place to have a formal)
- ❖ Mikulás Party (forralt bor, mézeskalács and Hull a pelyhes...)
- ❖ Dance Night (Ági is in charge)
- ❖ Pub Quiz and Playing Cards
- ❖ Hungarian Fiesting Days
  - Lángos Day (yummy)
  - Kolbász Day (even better)
  - Zsíroskenyér and Wine Tasting (BYOB)
- ❖ Table Football Championship (blame Emi if not happening)

### **Collaborating with university-wide events to popularise Hungary:**

- ❖ Fresher's Fair
- ❖ Food Fair
- ❖ Vodka Party

### **Why does the Society need two Events and Publicity Officers?**

Two Ents Officers can obviously organise more and better events.

### **Why do you need us?**

We are different but perfectly complete each other, therefore we could organise versatile events.
