

GERGELY HORVATH for Junior Treasurer

Who am I, and why elect me?

I am a first year Land Economy student at Fitzwilliam College. I will specialise in Finance and Corporate Law. I have been involved in the student council of my school at home, had been the Vice President of Hungary's second biggest Model United Nations society and have interned at the Ministry of Agriculture and Rural Development in a financial position. I have taken certificate courses in Financial Management and Accounting. I think that my previous engagements and accounting knowledge would benefit the society and its financial standing, while my organisational and interpersonal skills would serve help achieve effective fundraising.

What are my proposals?

▶ ACCOUNTABILITY

Open accounting on an online platform, so all members can see our finances

▶ SPONSORSHIPS AND FINANCING

I believe that by using my own and the societies connections, I can build an effective and ever-growing network of sponsors to finance even more programmes and fun events. I promise to create and enhance any and all

▶ PAID EVENTS MANAGEMENT

I will introduce a better and faster events' management online platform to make sure that all ticket payments go through orderly.
