*Proposer: Andras Volford, Secretary, 2017-2018*

*Seconder: Aletta Csapo, General Member, 2017-2018*

## About me in a nutshell:

I'm in my first year studying Natural Sciences at St Catharine's College. I am an active member of the Consultative Committee of my course. Also, back in Hungary, I have founded and led the organizing team of LeS, a unique lecture and talk series. Here, in Cambridge, I'm glad to be part of the highly diverse yet active Hungarian Society. Although I have already assisted at several events throughout the year (e.g. Food Festival), as a Secretary, I now look forward to improve the work of the Committee and contribute more to the enhancement of the Society.

## My aims:

- organizing regular committee meetings and writing minutes
- keeping You up-to-date via regular newsletters (about the work in Committee, opportunities etc.)
- setting up a Hungarian Society online calendar by synthesizing the information about events to facilitate planning
- exploring the ways to get in touch with the Hungarian Cambridge alumni and promoting interaction and cooperation with them
- creating and circulating various surveys and optimize the work of the Committee on behalf of the feedbacks
- setting up the basis of an individual, yet society supported event organizing scheme to promote individual ideas
- maintaining the membership database up-to-date and restructuring the website
- supporting to my best ability the work of the Committee, both with ideas and their realization

## Integrity, Transparency, Diversity

Let's make this happen!
