

Alexandra Souly for Secretary

Proposer: Soma Turi, Secretary, 2018-2019

Seconded: David Peter Kovacs, President, 2018-2019

About me:

I am currently a second year Mathematics student in Magdalene College. The Hungarian Society has made my time in Cambridge a lot more enjoyable and I would like to keep helping to maintain this amazing community as a member of the Committee. I was the Junior Treasurer in 2018-2019, and this year I believe I could contribute the most to the Society by taking on the role of the Secretary.

My aims:

- Keeping a weekly Heti Cirada in its current form
- Updating and improving the website
- Creating a calendar file for the term card for calendar apps
- Maintaining and updating the membership database
- Facilitating committee meetings and writing detailed minutes
- Creating a professional platform (database) between alumni and current students for further study, internship and grad job questions (like GradLink)
- Creating a guide for Committee members on how to use Mailchimp
