

Hi! We're Balázs Németh and Ákos Marton,  
2<sup>nd</sup> year Maths and 4<sup>th</sup> year Medic students,  
the outgoing Events Officer and Treasurer.

We have really enjoyed working on the  
committee and we are running for President  
and VP to contribute to an even better year  
of the Society!

### *Why vote for us?*

Our vision is a cohesive, transparent and  
inclusive Committee that delivers the  
activities and events **you** want!

We will ensure that the quality of the  
existing access scheme is maintained. We  
will carry on with the existing traditions and  
organise new events, including more  
speakers, excursions and cultural events.

***CUHS will be a friendly & welcoming  
community for all!***
