

# CUHS Meeting Minutes

Date: Tuesday 25th August 2020

Venue: Zoom conference call

## Present

Balazs Nemeth, *President*

Kada Williams, *Secretary*

Bence Balazs, *Treasurer*

Daniel Boros, *Events Officer*

Luca Gal, *Events Officer*

David Kliment, *Access Officer*

Zsombor Verkmann, *Access Officer*

Tamas Stenczel, *Ex-President*

## Agenda

1. Website virus
2. Membership databases
3. “Graduate Officer”
4. Access news
5. Events news
6. Funding

## Discussed topics

### 1) Website virus

- When opening the cuhs.co.uk website, a URL such as wahrscheinlich15live.net appears
- Kada discussed with three members of the SRCF (<https://www.srcf.net/>), found that to remove the virus it is necessary to re-create the entire website
- Tamás asks whether our site was targeted because it was hosted on SRCF or as an individual site
  - The SRCF members Kada communicated with did not hear of this exact attack before
  - The website was apparently first hacked in February, before Attila Szabó moved it
  - It could make sense to pay more for hosting
  - Let’s try to preserve the cuhs.co.uk domain name
  - Odd: using AdBlocker, the virus seems to disappear
- Wordpress has no worse security than other sites, though **Kada will check this claim of his**
- Need a safe website (for Access objectives) → **create a temporary new Markdown website**

### 2) Membership database

- Current Membership database has not been kept up since Freshers Fair 2018
- **A new Membership database will be set up**
  - Members register as they enter the university
  - Each member tells what their degree and expected year of completion is
  - Sharing this information is a requirement for all members
- Send out a mass email asking members in the current database whether they've finished their degree or are continuing in Cambridge
- Tasks with managing the database to be clarified (for handover to proceed smoothly)
- Membership fee is currently 10 pounds, can be paid by bank transfer
- Membership card could be placed in pigeonholes, similarly to the mid-term Sport bars (Luca)
- Can directly invite Freshers registering at the Fr. Camp, easier to manage list that way (Dávid)
- We'll delay asking for membership fees until the first event & tell people about this (Luca)

### 3) Graduate Officer

- A particular MA student who is familiar with other Hungarians in that role
- MA students or guest researchers arriving for 1 year are difficult to catch
- Still, a Graduate Officer could come up with events we wouldn't have thought of because he knows their needs/interests
- Note: we have a Freshers Representative in the Constitution (which could be deleted)
- By the way, only one Access Officer would be enough
- Vote for removing Freshers Representative and adding Graduate Officer to constitution: 6 votes

### 4) Access news

- Updated Freshers Guide and Application Guide to include Brexit-related novelties
- Many Personal Statements made available
- Removed immigration and healthcare document from website
- Collected a list of freshers/offer holders
- Have FB group for 2020-21 applicants
- Mentoring program put on CUHS website

### 5) Events news

- Events in Michaelmas
  - University guidance:  
<https://www.cam.ac.uk/coronavirus/stay-safe-cambridg-euni/follow-latest-guidance-on-gathering-in-social-groups>
  - Essentially, a 2-metre distance must be held with any student not from one's 'household', excepting sports gatherings and occasional visits
  - This means no formal, culture night, bowling night
  - Possibly have a sports event, e.g. frisbee
- Stall booked at Freshers' Fair (as contact, a link to the CUHS FB page was provided)
- CUHS Family Scheme started to be managed, using offer holder list
- Freshers Camp is planned, games, etc, see Drive: Events/2020 gólyatábor/sheet
- Help with Freshers Camp needed: bring board games, if coming by car then transport, shopping (also, a METRO member card is needed)
- So far, 25 people have filled in the form, further advertisement needed

- Garden party has HUF 8000 surplus
- Need to check availability of UK ambassador to Hungary

## 6) Funding

- We won a grant from the New Generation Centre (Balázs)
- From the Bethlen foundation money, we will cover annual dinner funding (events are cancelled)
