## Discussed topics

### 1) Bethlen Gábor grant

- (Ákos) Applied for grant with COACH
- Received a total of HUF 250 000, which is around GBP 1800-1900
- CUHS received GBP 935.15
- COACH pays back debt to CUHS
- Logo must go on website and our publications

### 2) Hungarian Youth Association

- (Balázs) Rebeka Gaal invites CUHS to sign an open letter written by George Greskovits, from Milestone Institute, a Hungarian education company preparing students for UK university studies
- Letter aims to push UK to continue supporting EU students in UK higher education
- Correspondence with Greskovits
- Appears that those hurt by UK decision are fragmented, e.g. initiative by Polish students
- Balázs finds HYA, makes connection

- HYA started out as means for organizing London student events, bridging geographical distance
- CUHS allows HYA to campaign in its name for continued support of Hungarian students at UK universities

### 3) Access

- Interviews conducted remotely this year
- Hungarian students continued applying to Cambridge

### 4) Events

- Events were generally well-enjoyed
- Most popular: Initiation, Honfoglaló tournament, Bridgemas party
- Possible: speaker event with Oxford HunSoc, (Krisztián?) Lovassy
- Possible: student seminars next term
- (Dávid) Maybe CUHS Summer Camp rather than Freshers' Camp for next year
- Maybe organize Annual General Meeting together with a popular event, or not in March 2021

### 5) Treasury

- (Luca) Zoom subscription dropped for when society inactive
- (Bence) Currently have GBP 3573 on account
- Hope for brilliant Garden Party, for society birthday
- Left Barclays due to slow cooperation from previous treasurer
- Lloyds makes it difficult to add access to further committee members, Bence not yet added
- This is the second attempt, first attempt failed due to customer service error
- (Ákos) Handing in financial summary to university, with committee addresses

### 6) Things to do for winter break

- (Ákos) Are you in Cambridge for vacation form
- (Balázs) Possible ice skating?

- (Dávid) Let's send that out in email list as well
- (Dávid) Let's send out a hello at Christmas?
