Discussed topics:

President's points:

- We should work on the improvement of communication among committee members.
- We have applied for external funds in alliance with COACH
- Ongoing planning of our participation in the COACH annual dinner and our own 10th anniversary annual dinner.
- Ongoing planning of garden party co-hosted with HYA
- Ongoing planning of a co-hosted event with Oxford Hungarian Society (in Lent)
- V4 Society asked us to help out with a conference they are planning.
 - o Not clear how that interferes with workings of Future: Hungary
 - o Possibility to delegate committee members
 - o Possibility of asking for co-funding from NGC
- Weekly 15 minutes rapport with all committee members (every Sunday) beginning next week
- Additional comment from Co-President: to facilitate communication, utilise our Slack group chat
 - o Discussion regarding this:
 - Gergő: use Messenger instead?
 - Dávid: the channels on Slack keeps us organised
 - Vote on using Slack: Accepted motion with 12 yes and 1 no votes.
- Stash update: possible roll-out of stash between Michaelmas and Lent

Secretary's points:

- Request to create separate Slack-channel for Heti ciráda (newsletter) updates to facilitate information flow from committee to society members
- Try to schedule Heti ciráda to a fixed date (possibly Wednesday evening or Thursday afternoon) and limiting number of emails to avoid losing readers' attention
- Migrating our archives to a new Google Drive
- Changing our newsletter provider (abandoning Mailchimp and returning to Lists)

- President's request: upload minutes of meetings to website in a timely manner
- Additional point: inquiry about a cancelled event of the society

Treasurer's points

- To upload Annual Report to website (secretary assists)
- Inquiry about some external funds
- Goal: collecting outstanding membership fees
 - o in connection: membership database also needs updates
 - (this is in progress by the secretary)
- We have a card reader, possible to pay by card at our events in the future

Sponsorship officer's points:

- Request for more transparent intracommittee communications

Access officer's points:

- We have knowledge of 10 applicants
- We have a dedicated FB group for them
- We are still contacting schools to ask about further applicants
- All applicants have mentors
- Possibility to focus more on postgrad access (due to Brexit)

IT Officer's points:

- Website revamp scheduled for Winter vacation
- President's request: helping out Future: Hungary with IT related issues during Lent

Events Officer's points:

- Discussion about using wristbands at events
- Recording and handling CUHS invoices
- Unfortunately, we weren't able to secure a venue for our termly formal swap
- Request by members of the society: assistance in organising a *táncház* event

Social Media Officers' points:

- Set out for reclaiming our Twitter account from a previous member of the Committee.

The End.
